Joel—

I sent the following email to Ingrid this morning, and received her Out-Of-Office reply. Would you be the correct contact to submit our comments?

Thanks,

Raleigh

Ingrid—

My name is Raleigh Davis, and I work with the American Coatings Association. We have a comment that we drafted in response to the Methylene Chloride in Furniture Refinishing Workshop that was held in mid

September, but missed submittal deadline. Is it still possible to submit the comment for your consideration? I have attached it to this email.

Thanks and many apologies,

Raleigh
